

Space agency to take part in BIAS

Wed, 07 Nov 2018Wed, 07 Nov 2018

MANAMA: The National Space Science Agency (NSSA) will be a key participant at the Bahrain International Airshow (BIAS) 2018 running from November 14 to 6, according to Transportation and Telecommunications Minister Kamal Ahmed, who is responsible for the agency. The NSSA's participation this year will be larger than its presence at the previous edition of the show in 2016, said chief executive Dr Mohamed Ebrahim Al Aseeri .
